

Keyboarding Goals by Grade

The Goals by Grade should serve as a suggested guide to assess your students keyboarding performance. These are based on recommendations for keyboarding as evaluated through a variety of districts and state expectations.

Accuracy and Word-Per-Minute goals can be adjusted to meet state or district requirements and the unique needs of your student or class.

GRADE	ACCURACY	WPM
3	90%	12
4	90%	16
5	90%	21
6	90%	26
7	90%	30
8	90%	33
9-12	90%	35-40
