

KELLI ERWIN, ED.D.

Director of Education

FOLLOW KELLI ON

As the director of education for Learning.com, **Kelli Erwin, Ed.D.** provides thought leadership on trends and innovations in education and provides guidance on instructional design and product development for the company's K-12 digital literacy and computer science curricula. With a passion for understanding how we learn, Kelli focuses on the science behind learning, gold standards for pedagogy and andragogy, and best practices for delivering virtual and in-person learning.

A sought-after speaker, Kelli has presented in person or virtually at conferences including the International Society for Technology in Education (ISTE), Texas Computer Education Association (TCEA), Texas Digital Learning Association (TxDLA), Association of Texas Professional Educators (ATPE), Texas Association for the Gifted & Talented (TAGT), as well as various Texas Educational Service Centers and Florida consortiums. Kelli has more than 20 years of experience in the K-12 education space, and earned her doctorate of education in curriculum, instruction and assessment from Walden University. Prior to joining Learning.com in 2011, Kelli was a classroom teacher, technology applications teacher and district instructional technology specialist who served districts throughout the greater Houston metropolitan area.
